

KADUR DIVISION.

Notification, dated 7th February 1924.

The lessees of Thangadi and Kakke barks (*Cassia auriculata*) and (*Cassia fistula*) of Mudgere and Koppa Taluks for the years 1923-25, having paid up the full lease amount, have failed to execute the agreement and to pay the required security deposit under clause 9 of the sale notification.

Under the provision of the said clause, a re-sale of the produce of these taluks will be held by the District Forest Officer at the Sandal Koti, Chikmagalur, after 2 P.M. on 5th March 1924, at the risk of the original purchasers.

The conditions of the sale will be those published in the notification dated 7th April 1923, by the District Forest Officer, Tarikere Division except in respect of the dates on which the khists fall due. The full sale amount should be paid immediately after the sale is concluded.

B. NARASIMHAENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

WATER-SUPPLY DIVISION.

Notification dated 6th February 1924.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-Supply Division, upto 1 P.M., on the 25th February 1924 for "laying and jointing the 16" new Steel Pipes in the 1st mile, second half of the second mile and 3rd mile of the rising main for the water supply of Kolar Gold Fields." An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1924.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

3. Each tender must be accompanied by a deposit of Rs. 500 in cash, as earnest money, and be superscribed. "Tender for laying and jointing the 16" new steel pipes in the 1st mile, second half of 2nd mile and 3rd mile of the rising main for Water Supply of Kolar Gold Fields," in default of which tenders will be rejected.

4. The final acceptance of any tender will rest with the Chief Engineer for Irrigation, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor shall be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of any tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned on production of receipts granted therefor.

GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE.
BANGALORE.

Tender Notice No. S. P. C. 329, dated 4th February 1924.

Sealed tenders will be received in the office of the undersigned for the supply of cement required for the use of the Public Works Department and the Krishnarajasagara works during the current year. The quantity and description of the material required are given in the attached schedule.

2. The tender should reach the undersigned before 12 noon on Monday the 25th February 1924. It should be in the form given below and should state clearly the quality and the rate at which the material will be supplied. Tenders should be accompanied by a cheque for Rs. 100 on the Mysore or Imperial Banks as earnest money without which they will not be considered.

3. The purchase of the entire quantity of cement noted against the Public Works Department is not guaranteed but the successful tenderer should be prepared to supply such quantities of the material as may be required from time to time up to the limit of the total quantity on indents to be made by the Executive Engineer, Water Supply Division, Bangalore. In the case of the cement required for the Krishnarajasagara works, the supply of the whole quantity should be completed before the 15th of March 1924.

4. The final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender.

5. The rates given in the tender should include the cost of delivery at the places specified in the schedule and hold good for 15 days from the date fixed for opening the tender and if any tenderer withdraws from his tender before the said period or the tender
